👉 **User story:** Description of the application's functionality from the user's perspective.

👉 **Common format:** As a *[type of user]*, I want *[an action]* so that *[a benefit]*
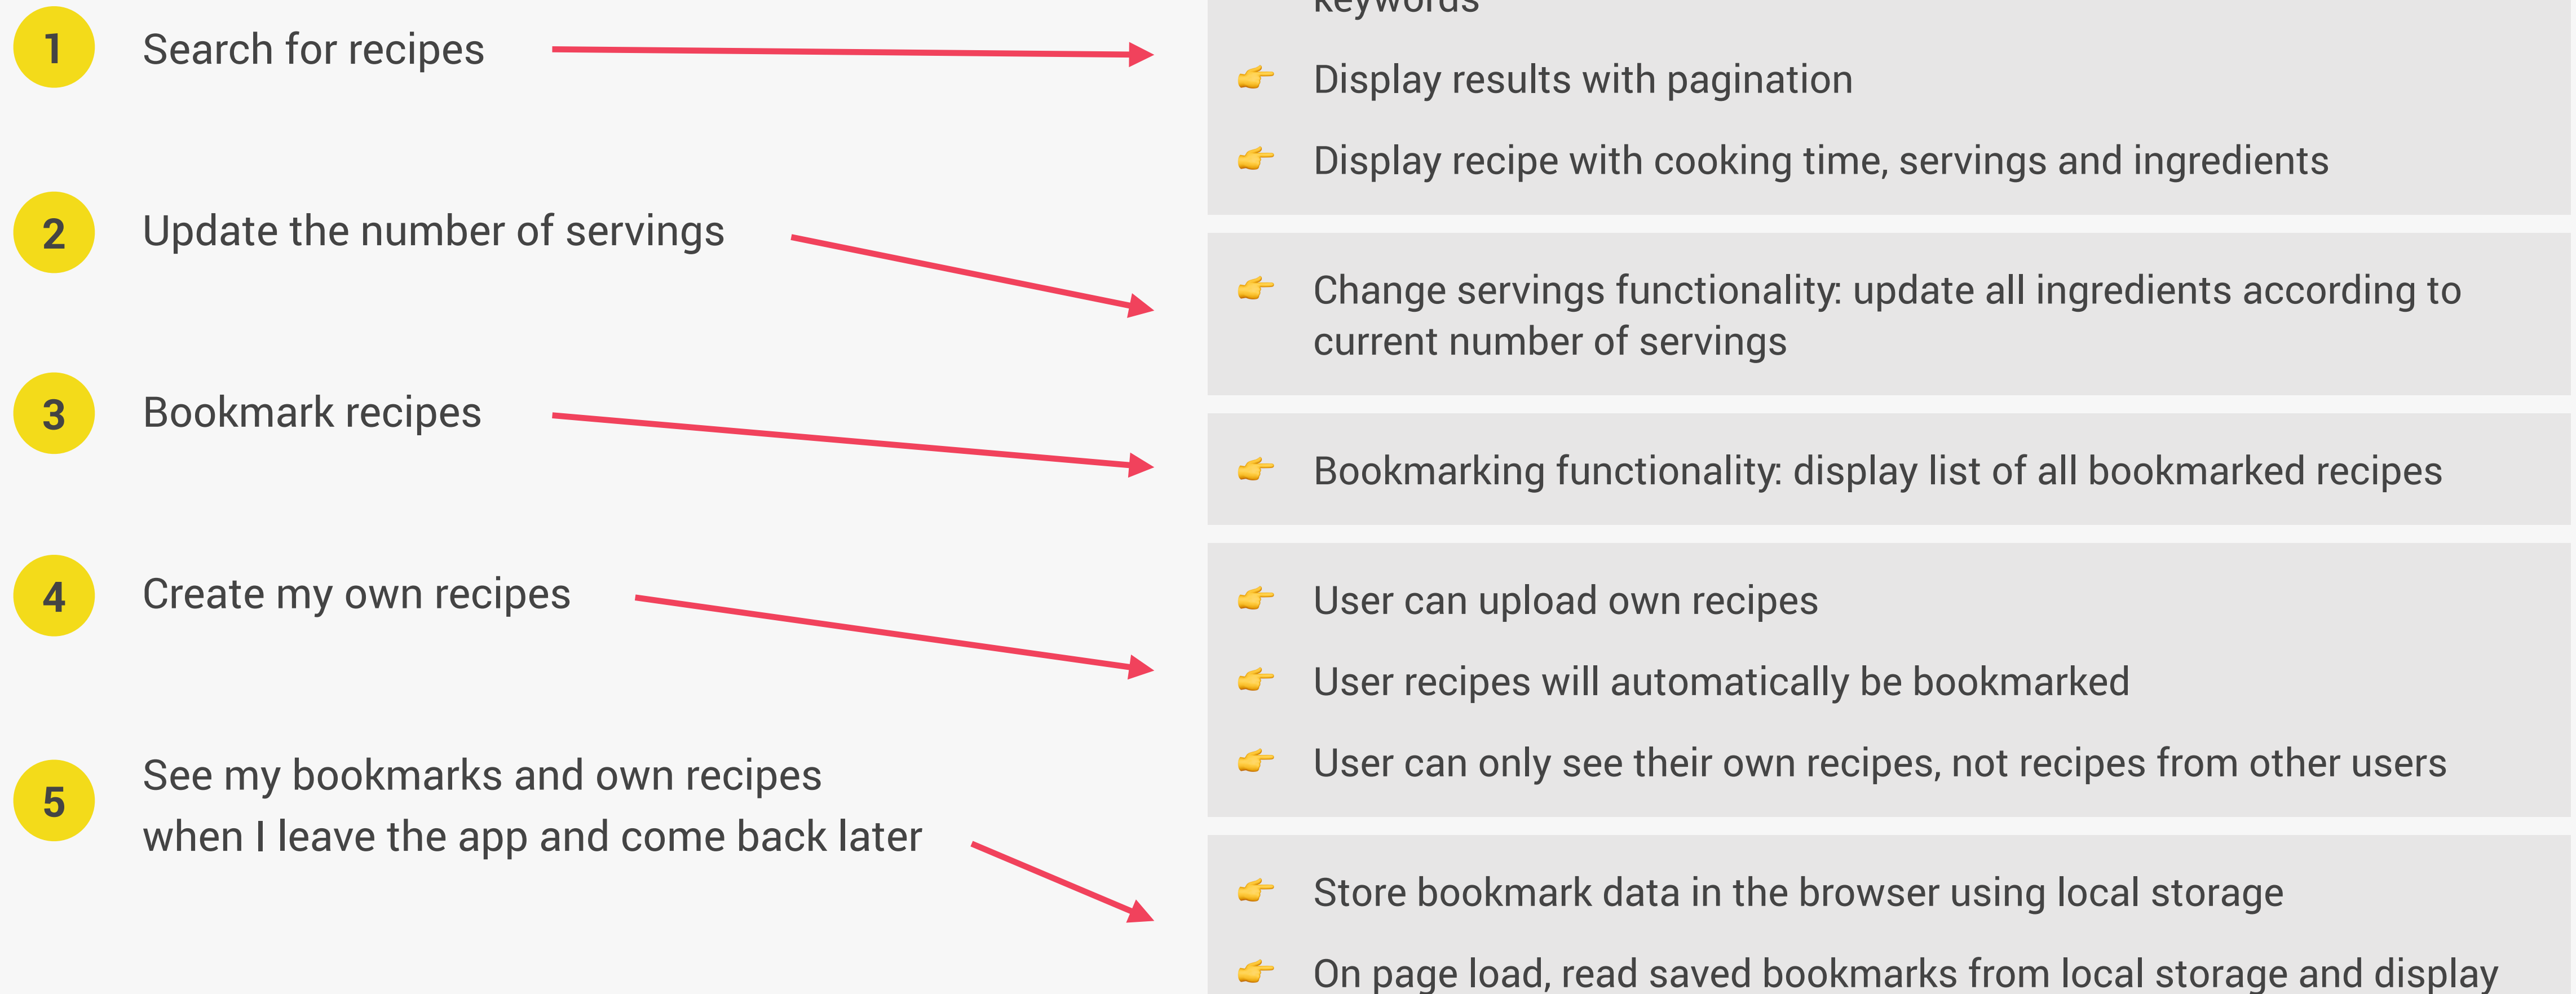

1 As a user, I want to **search for recipes**, so that I can find new ideas for meals

2 As a user, I want to be able to **update the number of servings**, so that I can cook a meal for different number of people

3 As a user, I want to **bookmark recipes**, so that I can review them later

4 As a user, I want to be able to **create my own recipes**, so that I have them all organized in the same app

5 As a user, I want to be able to **see my bookmarks and own recipes when I leave the app and come back later**, so that I can close the app safely after cooking
